Student Affairs Weekly Update

Dear students,

Here are important deadlines, meeting dates, and announcements for the first half of October. Please let me know if you have questions or need further assistance with any of these topics.

Priority Registration for Spring 2014

Priority registration for the spring 2014 term starts October 1st. Students must meet with their assigned academic adviser before being granted access to online registration. Taking advantage of priority registration is important so you get the classes you need without any delay.

Graduation Deadline for December

The deadline to apply for a December 2013 degree, diploma, or certificate is October 1st. The application for credentials and instructions are found at the link below.
