The Talent Search Program at Madisonville Community College mission is to assist middle and high school students (and a small number of out of school adults) to successfully complete high school and to pursue a college or university education. Our Talent Search program serves 756 students at 12 public schools. All participants meeting the appropriate academic requirements and standards shall be considered equally for admission regardless of race, color, religion, sex, marital status, national origin, age or handicap. Talent Search programs are located all over the United States. The MCC Talent Search program is 100% funded by the U.S. Department of Education. Federal funds for 2013-2014 total \$329,727.
